

Pregnancy Choices Advocacy Service

If you live in Leeds and are unsure whether you want to continue with a pregnancy then the Pregnancy Choices Advocacy Service can support you.

The service offers:

- **1 to 1 support from a female worker at a place and time that works for you**
- **Up to date information about pregnancy and termination services**
- **Transport costs**
- **Support when attending appointments**

The Pregnancy Choices Advocacy Service offers a non- judgemental space where you can talk about how you feel and what your options are.

You will not be pressured to make a decision you are not comfortable with. The length of support can be decided around your specific needs.

The Pregnancy Choices Advocacy Service is available to any pregnant person in Leeds, with no restriction on age or pregnancy term.
